Each person attending were welcomed and directed to sign in. Upon signing in, families received a frame and instructions for the craft. They were directed to the scrapbook paper table where each person picked out the scrapbook paper they wanted for their handprint. Next, they were directed to the background paper/Quotes station or the snack station where cookies and punch were set out. Some of the children were so excited that the family quotes were available in Spanish for their moms! Due to the line of families waiting to get into the cafeteria, we delayed our speaker until 6:15 when we could have most of them seated. More tables and chairs were consistently being brought in to accommodate families. Coach Joel Baker spoke about the importance of being a positive role model and being involved with children's lives. Coach Andy Lopez spoke in Spanish to reinforce the same message. Staff, VIPS and Soccer continually assisted parents to make sure they had the supplies they needed. When families were done with their handprint frame, they wrapped their present. All appeared to have a wonderful time and we were thanked many times for having this event for them.
