Families were welcomed and signed in. Staff introduced and each staff member presented a portion of the PowerPoint. Staff discussed several different things and answered questions on the following:

Chromebooks can read to the students, Reading apps, Learning Aly, Wilson program, Oral administration, Whisper phone, how kids are grouped in class, 504 program and accommodations, concerns for kids going into college, parent concern of a future for their elementary child in the workforce and skills they can learn, importance of reading to your kids, stress of a student trying to read, importance of being an advocate for your students from a parent, talking to teachers, and the struggle of kids not wanting accommodations at the jr. high and high school level and the importance of staff and families explaining the services they can receive to help them.

Families were very much engaged in conversation with questions and suggestions for other families.

Families were thanked for coming, snacks and water offered, and the opportunity to speak to each campus rep at end of the meeting.
